DETAILED ACTION

Reissue Applications

In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed. A supplemental oath/declaration is required because the error corrected by the filing of the terminal disclaimer filed 06/03/2004 was not covered by a prior oath/declaration.

Claims 1-76 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251. See 37 CFR 1.175. The nature of the defect is set forth above.

Receipt of an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1) will overcome this rejection under 35 U.S.C. 251. An example of acceptable language to be used in the supplemental oath/declaration is as follows:

"Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant."

A blank supplemental declaration for reissue application to correct "errors statement has been included with this mailing.

Claims 1-76 are rejected under 35 U.S.C. 251 as having expired. See MPEP 1415.01. The maintenance fee due has not been paid and therefore no reissue patent can be granted.
